

# **Marina High School Diving 2018 - 2019**

## **WELCOME:**

Hello everyone! And welcome to the 2018-2019 school year! For those of you who do not know me, my name is Kaeden Kraft. I have been the diving coach here at Marina for nine years now (this will be my tenth season). In those seven years, our girls varsity has won Sunset League once, and boys varsity team has won four times. I have also been fortunate enough to send divers to CIF Championships, in 6 of those 8 years. None of this could have been done without the support of our amazing school, parents, and students. I am very thankful to have all of you new divers and parents a part of our program!

## **FINANCES:**

For this whole year, we are asking for an offseason donation for off season, of \$200, and an in season donation of \$300, for a whole year total of \$500. These checks must be made out to Marina High School Aquatics Booster Club. This year, all apparel including swim suits and shirts will be ordered from our online store which will be provided later, by the student and parent/guardian.

I would like to make this as convenient as possible for everyone. So we can do this a few different ways. You are more than welcome to pay the whole amount at once to get it out of the way. You can do an offseason contribution for part of it, and an in season contribution for part. Or we can work out a payment plan. I am very flexible on this, and want to make sure that we can accommodate everyone regardless of financial background.

A live document of the budget for our program will be available to anyone and everyone upon request. The starting budget is attached here. Your contribution and fundraising is going to a few things.

1. Coaches salaries - The district does not pay for an assistant dive coach at all. An assistant coach is imperative to having a successful diving program. Fundraising and contributions will go, in part to paying our assistant coach for offseason and in season. In terms of a head coach, the district will only pay a head diving coach for in season pay. Fundraising and contributions will also go, in part to paying the head coach for their offseason pay. This off-season practice has been vital to our success in the last few years.

2. Equipment - Monies will be used for various equipment needs through the year.
3. Banquet - Students with current and full contributions will not be asked for a banquet contribution for themselves.
4. Misc. - Monies will be used for any miscellaneous needs for the program throughout the year.

## **ATHLETIC CLEARANCE- PHYSICAL:**

All athletes are required to get a physical (physical forms attached) and get it filled out by a doctor. These must be turned in ASAP! This is part of athletic clearance.

## **CLEARANCE:**

Clearance is now online, and can be filled out at the following link.

## **TRAINING AND TRANSPORTATION FEE:**

There is a transportation fee that will be charged at the beginning of diving season along with a trainer fee required for bus rides to and from meets. The prices for the trainer fee, and the transportation fee for the year, will be made available on our website at [www.mhsdive.org](http://www.mhsdive.org)

All divers are required to take the bus to the away meets. This check can be made out to MARINA HIGH SCHOOL, and turned in room 301.

If you have any questions at all, please feel free to contact me. There will be a mandatory meeting on September 19, 2019 on the pool deck at Marina, at 6:45PM. It will only take about 15 minutes. This is for dive families only. At this time, I would love to collect checks and answer any questions that you may have.

## **POLICIES:**

Here are the rules that **MUST** be followed. Failure to do so will result in the lowering of the student's grade.

- All students must be present for every practice, if students plan to miss a day, the coach must be informed by the student or parent **AND** the attendance office must be called, as they will be marked absent for 6th period. This is a class

and must be treated as such. There are no exceptions

- If students are ill or injured and still able to come to practice, a parent note will be sufficient for 1 - 3 days, any longer will require a doctor's note.

- Students must be on time to practice every day AND behave in a manner that is conducive to a productive learning environment. If the student is asked to leave practice for any reason, including behavior, attitude, or refusal to participate, the students grade will be lowered, and parents will be informed.

- Students must also bring appropriate dry-land clothing, swimsuits, and closed toed shoes every day. **SHOES ARE IMPERATIVE AS THE CONCRETE GETS HOT AND DIRTY, AND WE WILL BE RUNNING**

- Students should also bring a bottle of water to practice every day. It is very important to stay hydrated.

Here are a few more rules that **MUST** be followed. Failure to comply with any of these rules will result in **IMMEDIATE REMOVAL** from the diving team for a period of up to the rest of the student's High School career.

- There will be absolutely no drug or alcohol use by students at any time. Ever. No matter what.

- There will be no mention of any kind of alcohol or drug use, or any type of talk deemed inappropriate by the coach or other school staff.

- There will be absolutely no bullying or harassment in any way of any fellow students, or staff.
